Part 2: George's Boat to the Rescue — TikTok Prompts (9:16)

How Part 2 Connects

- **Starts right after Clip 13 (4:13).** George is still holding up his homemade boat to the Man in Yellow at the lakeside ceremony.
- **Length:** 15 clips × 20 seconds = 5 minutes (4:13 → 9:13). Clip numbers continue from 14 to 28.
- **Format:** Same as Part 1: vertical 9:16, 1080 × 1920, 24 fps, same style and same character descriptions.
- **Story:** A gust of wind carries the boy's prize sailboat far across the lake into the reeds. George turns his little cork raft into a rescue boat, uses everything he learned about floating, and brings the sailboat home.
- **Tip:** Use the last frame of Clip 13 as the start image for Clip 14 so the join looks seamless.

Character Sheet (Part 2)

- **GEORGE:** small brown monkey, tan face, big round eyes, curl of hair on top, no tail, very expressive.
- **MAN IN YELLOW:** tall slim man, all-yellow suit and tie, wide-brim yellow hat, round glasses, brown boots, carries a folded yellow umbrella.
- **BOY:** teenage boy, brown hair, freckles, navy baseball cap, red-and-white striped long-sleeve shirt, blue jeans, blue first-place ribbon pinned on his shirt.
- **BOY'S BOAT:** toy sailboat, green-and-white hull with portholes, white sails, small red-blue flag, controlled by a small black remote.
- **GEORGE'S BOAT:** homemade raft of corks and wood pieces, a small bottle as mast, a spool and a pinwheel.
- **GEORGE'S RESCUE BOAT (from Clip 18):** the same raft plus a yellow handkerchief sail, extra corks on both sides for balance, a wooden clothespin on the front, and a long white string tied to a spool.
- **WHITE DUCK:** white duck with an orange bill (the same duck from Part 1).
- **OLDER COUPLE:** woman in a straw hat and blue overalls; bald man with glasses, green shirt and suspenders (the contest judges).
