Waiting For You

Emotional | 25 seconds | Vertical 9:16 Reel

FULL PROMPT - COPY AND PASTE INTO YOUR AI VIDEO TOOL

A 25-second cinematic, photorealistic vertical video (9:16, 4K) of a loyal adult black-and-tan German Shepherd with amber eyes and a thick glossy coat, inside a cozy modern home. 0-5s: The dog lies on a soft rug in front of the front door, chin resting on its paws, eyes fixed on the door handle; warm golden late-afternoon light streams through a side window, dust particles floating. 5-10s: Close-up of its eyes slowly blinking, then a wall clock ticking; time-lapse of sunlight sliding across the wooden floor as evening falls. 10-15s: Sound of keys jingling outside; the dog's ears snap upright, it lifts its head and its tail starts thumping on the floor. 15-20s: The dog jumps up and spins in an excited circle as the door opens and the owner steps in. 20-25s: Slow motion: the owner kneels down, the dog leaps into a tight hug, licking their face, tail wagging wildly; camera slowly pushes in on the happy reunion as warm light flares. Shallow depth of field, smooth camera movement, realistic fur detail and natural dog behaviour, warm emotional color grade, no text, no watermark.
