25 seconds | 5 activities | Real phone-video look | 9:16 Reel

VIDEO IDEA

A Valentine's Day full of dog kisses: a lick wake-up, a heart-shaped biscuit, a red heart bandana, squeezing between us on the couch for kisses and one last kiss on command.

TIMELINE

0-5s	Lick wake-up
5-10s	Heart biscuit
10-15s	Heart bandana
15-20s	Couch squeeze-in
20-25s	Kiss on command

FULL 25-SECOND PROMPT (only if your tool can make 25s in one go)

A 25-second shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. The dog is a real adult male German Shepherd with a black saddle, tan legs and tan face, slightly darker muzzle, upright ears, wearing a worn brown leather collar with a small metal tag, natural slightly messy coat with a little loose fur on the shoulders. It shows 5 short everyday moments joined with simple hard cuts. 0-5s (Lick wake-up): Bedroom, early morning, pale grey daylight through half-open curtains, white sheets. Camera is the owner's point of view lying on the pillow. The dog's face comes close, sniffs, and gives the owner's cheek a big sloppy lick. Pale light comes through the gap in the curtains behind the dog's head. Sound: sniffing, a wet lick, owner laughing sleepily "good morning to you too". 5-10s (Heart biscuit): Kitchen, morning daylight, beige tile floor and wooden cabinets. The owner's hand holds a small heart-shaped dog biscuit. The dog sits, then takes it gently from the fingers and crunches it, licking its lips after. A few crumbs fall on the tiles and the dog licks them up off the floor, then looks up hopefully for another. Sound: crunching, owner saying "happy Valentine's Day, handsome". 10-15s (Heart bandana): Living room, mid-morning daylight from the window, grey carpet. The owner's hands tie a red bandana with small white hearts loosely around the dog's neck. The dog stands, gives a full-body shake, and the bandana flaps but stays on. The owner's hands smooth the knot at the back of the bandana. Sound: shaking, tags rattling, owner laughing "so cute". 15-20s (Couch squeeze-in): Living room in the evening, one floor lamp on, brown leather couch. A couple sits close together. The dog climbs up and squeezes between them, then licks the partner's face over and over while they laugh and lean back. A throw pillow falls onto the carpet in the shuffle. Sound: couch creaking, laughing, partner saying "okay, okay, I love you too". 20-25s (Kiss on command): Same living room at night, warm floor lamp light. The owner kneels on the carpet face to face with the dog, still wearing its heart bandana, and says the word. The dog leans in and gives one quick lick on the owner's nose. Sound: owner saying "kiss", a quick lick, owner laughing "best Valentine ever".

HOW TO MAKE IT LOOK REAL

Use a real photo	Biggest realism boost: use Image-to-Video and upload the same real German Shepherd photo for every clip. Same photo = same dog in all 5 clips.
Make 5 short clips	Generate each clip (5 seconds) separately with its own prompt, then join them in CapCut with simple hard cuts. If your tool can make 25 seconds at once, use the full 25s prompt instead.
Pick the most natural	Generate 2-3 versions of each clip and keep the one where the dog moves most naturally. Delete any clip with weird legs, tail or face.
Keep the real sound	Keep the natural sounds (paws, tags, panting, owner's voice). If you add a trending Facebook sound, keep it quiet underneath.
No filters	Do not add filters, slow motion or fancy transitions - real home videos don't have them.
