MUSE AI PROMPT - COMBINE ALL 5 CLIPS INTO ONE 25-SECOND VIDEO (copy and paste)

Make ONE single 25-second video by combining these 5 clips in order, 5 seconds each, joined with simple hard cuts into one continuous video. Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. The dog is a real adult female German Shepherd with a black saddle and pale cream-silver legs, chest and face (black and silver coloring), dark ears, gentle brown eyes, medium build, wearing a purple nylon collar with a small heart-shaped tag, natural slightly fluffy coat. 0-5s (Sidewalk walk): Neighborhood sidewalk, warm summer evening, soft late daylight, maple trees and parked cars. The dad, a man in his late 30s with a short dark beard, walks the dog on a short purple leash while the son, an 11-year-old boy with short curly hair, skips ahead. Sound: footsteps, crickets starting, kids chattering, dad says "wait at the corner". 5-10s (Patio wait): Small outdoor patio of an ice cream shop, warm evening light, metal tables and potted plants. The dog sits on her leash next to a table leg, nose lifted, sniffing the sweet air. The mom, a woman in her mid 30s with shoulder-length brown hair, strokes her head. Sound: people chatting softly, door chime, sniffing, mom says "you're getting one too". 10-15s (Kids with cones): Ice cream shop patio, early evening light. The daughter, a 7-year-old girl with two braids, licks a strawberry cone, pink drips on her fingers. The dog sits politely beside her, eyes fixed on the cone, and the daughter turns slightly away, giggling. Sound: licking, giggling, daughter saying "this one's not for you". 15-20s (Her frozen cup): Ice cream shop patio, warm evening light, concrete ground. The dad sets a small paper cup of plain dog-safe frozen treat on the ground. The dog licks it eagerly, pushing the cup across the concrete with her tongue, and the dad steadies it with two fingers. Sound: loud licking, cup scraping, dad laughing "slow down". 20-25s (Walk home): Neighborhood sidewalk at dusk, streetlights just turning on, warm porch lights in windows. The family walks home, the dog on leash beside the mom, licking her lips every few steps. The son walks next to her finishing the last bite of his cone. Sound: crickets, footsteps, distant sprinkler, son says "best night".

HOW TO MAKE IT LOOK REAL

Use a real photo	Biggest realism boost: use Image-to-Video and upload the same real German Shepherd photo for every clip. Same photo = same dog in all 5 clips.
Muse AI: one video	Paste the full 25-second prompt into Muse AI. It tells Muse AI to combine all 5 clips into ONE 25-second video. If the result comes out shorter, make each clip with its own prompt and join them in order (CapCut) with simple hard cuts.
Pick the most natural	Generate 2-3 versions of each clip and keep the one where the dog moves most naturally. Delete any clip with weird legs, tail or face.
Keep the real sound	Keep the natural sounds (paws, tags, panting, owner's voice). If you add a trending Facebook sound, keep it quiet underneath.
No filters	Do not add filters, slow motion or fancy transitions - real home videos don't have them.
