## MUSE AI PROMPT - COMBINE ALL 5 CLIPS INTO ONE 25-SECOND VIDEO (copy and paste)

Make ONE single 25-second video by combining these 5 clips in order, 5 seconds each, joined with simple hard cuts into one continuous video. Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. The dog is a real adult female German Shepherd with a black saddle and pale cream-silver legs, chest and face (black and silver coloring), dark ears, gentle brown eyes, medium build, wearing a purple nylon collar with a small heart-shaped tag, natural slightly fluffy coat. 0-5s (Big greeting): Front door from inside, early afternoon, bright summer daylight pouring in. The door opens and the son, an 11-year-old boy with short curly hair, and the daughter, a 7-year-old girl with two braids, rush in. The dog spins in a circle, tail going hard, and leans into the kids as they drop to hug her. Sound: door opening, kids yelling "summer!", excited whining, claws on the floor. 5-10s (Backpack dump): Hallway bench by the door, afternoon daylight, coats on hooks. Two backpacks are dropped in a heap on the floor next to a pair of sneakers. The dog sticks her head into an open backpack pocket, sniffs deeply, then pulls out an old crumpled napkin and trots away with it. Sound: backpacks thumping, rustling, mom laughs "drop it, drop it". 10-15s (Barefoot run): Backyard, hot sunny afternoon, slightly dry grass, a wooden fence and a plastic slide in the corner. The son, a boy with short curly hair, and the daughter, a girl with two braids, run barefoot across the grass laughing. The dog chases after them, bouncing around their legs and doing a quick loop around the yard. Sound: kids shrieking happily, panting, birds, a neighbor's sprinkler ticking. 15-20s (Frozen treats): Back patio, warm afternoon shade under an umbrella, plastic chairs. The kids lick fruit ice pops held up high. The mom, a woman in her mid 30s with shoulder-length brown hair, hands the dog a frozen carrot. The dog lies down on the cool patio stones and crunches it between her front paws. Sound: loud crunching, kids slurping, mom says "one for you too". 20-25s (Deck evening): Wooden back deck, early summer evening, warm natural daylight fading behind the trees. The son with short curly hair and the daughter with two braids sit on the deck edge with bare feet dangling, the dog lying between them. The daughter rests her head on the dog's back and the dog yawns widely. Sound: crickets starting, a big dog yawn, soft talking, distant kids playing.

## AVOID / NEGATIVE PROMPT (paste into the negative box, or add "Avoid: ..." at the end)

#### HOW TO MAKE IT LOOK REAL

| | |
|---|---|
| **Use a real photo** | Biggest realism boost: use Image-to-Video and upload the same real German Shepherd photo for every clip. Same photo = same dog in all 5 clips. |
| **Muse AI: one video** | Paste the full 25-second prompt into Muse AI. It tells Muse AI to combine all 5 clips into ONE 25-second video. If the result comes out shorter, make each clip with its own prompt and join them in order (CapCut) with simple hard cuts. |
| **Pick the most natural** | Generate 2-3 versions of each clip and keep the one where the dog moves most naturally. Delete any clip with weird legs, tail or face. |
| **Keep the real sound** | Keep the natural sounds (paws, tags, panting, owner's voice). If you add a trending Facebook sound, keep it quiet underneath. |
| **No filters** | Do not add filters, slow motion or fancy transitions - real home videos don't have them. |
