## MUSE AI PROMPT - COMBINE ALL 5 CLIPS INTO ONE 25-SECOND VIDEO (copy and paste)

Make ONE single 25-second video by combining these 5 clips in order, 5 seconds each, joined with simple hard cuts into one continuous video. Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. The dog is a real adult female German Shepherd with a black saddle and pale cream-silver legs, chest and face (black and silver coloring), dark ears, gentle brown eyes, medium build, wearing a purple nylon collar with a small heart-shaped tag, natural slightly fluffy coat. 0-5s (Boots on): Front hallway, early autumn evening, ordinary ceiling light switched on, jackets on hooks and muddy boots on a mat. The daughter, a 7-year-old girl with two braids, pulls on red rain boots. The dad, a man in his late 30s with a short dark beard, clips on the dog's leash while the dog spins. Sound: boots thumping, leash clip, dad says "okay, okay, we're going". 5-10s (Leash together): Quiet residential street, cool autumn evening, overcast natural daylight, wet sidewalk with puddles. The daughter, a girl with two braids, holds the leash and the dad's big hand is wrapped over hers. The dog walks calmly in front, and the girl stomps in a small puddle. Sound: splash, boots squeaking, girl laughing, distant car. 10-15s (Collecting leaves): Sidewalk under a big maple tree, autumn evening, natural fading daylight, red and yellow leaves on the ground. The daughter, a girl with two braids, picks up a big red leaf and holds it in front of the dog's nose. The dog sniffs it and sneezes, and the girl giggles. Sound: leaves rustling, a dog sneeze, girl says "bless you", dad chuckles. 15-20s (Bench rest): Wooden bench at a small neighborhood park, autumn dusk, overcast natural light. The dad, a man with a short dark beard, sits next to the daughter with two braids and pours water from a bottle into his cupped hand. The dog laps from his palm, dripping on his jeans. Sound: lapping, water dripping, girl says "she's so messy". 20-25s (Streetlight walk home): Residential sidewalk at dusk, streetlights just coming on, damp pavement. The daughter, a girl with two braids in red boots, holds the dad's hand and swings it. The dad, a man with a short dark beard, holds the leash in his other hand. The dog trots ahead, looking back at them. Sound: footsteps, boots squeaking, quiet street, girl humming.

#### HOW TO MAKE IT LOOK REAL

| | |
|---|---|
| **Use a real photo** | Biggest realism boost: use Image-to-Video and upload the same real German Shepherd photo for every clip. Same photo = same dog in all 5 clips. |
| **Muse AI: one video** | Paste the full 25-second prompt into Muse AI. It tells Muse AI to combine all 5 clips into ONE 25-second video. If the result comes out shorter, make each clip with its own prompt and join them in order (CapCut) with simple hard cuts. |
| **Pick the most natural** | Generate 2-3 versions of each clip and keep the one where the dog moves most naturally. Delete any clip with weird legs, tail or face. |
| **Keep the real sound** | Keep the natural sounds (paws, tags, panting, owner's voice). If you add a trending Facebook sound, keep it quiet underneath. |
| **No filters** | Do not add filters, slow motion or fancy transitions - real home videos don't have them. |
