Keeping Me Company While I Wash Dishes

One 25-second video | 5 clips combined | Real phone-video look | 9:16 Reel

VIDEO IDEA

Washing dishes after dinner with her right behind me: lying on the mat, leaning on my legs, licking up a water drip, yawning and jumping up when the tap turns off.

TIMELINE

0-5s	Mat lying
5-10s	Leaning in
10-15s	Drip cleanup
15-20s	Big yawn
20-25s	Tap off

MUSE AI PROMPT - COMBINE ALL 5 CLIPS INTO ONE 25-SECOND VIDEO (copy and paste)

Make ONE single 25-second video by combining these 5 clips in order, 5 seconds each, joined with simple hard cuts into one continuous video. Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. The dog is a real adult female German Shepherd with a black saddle, rich red-tan legs, chest and face, a dark mask around the muzzle, upright ears, a slightly slimmer build, wearing a faded red nylon collar with a small round metal tag, natural slightly messy coat. 0-5s (Mat lying): Kitchen at night, ordinary ceiling light and the light over the sink on, a striped kitchen mat in front of the sink, the owner's legs in jeans and socks. The dog lies on the mat right behind the owner's heels, head on her paws. Sound: water running, dishes clinking, a soft dog sigh. 5-10s (Leaning in): Kitchen sink at night, warm ceiling light, beige tile floor. The dog stands up and leans her side against the backs of the owner's legs, pressing in gently while the owner keeps scrubbing a pot. Her eyes half close as she rests against the owner's legs. Sound: water splashing, owner laughing "you are pushing me", tag jingling. 10-15s (Drip cleanup): Close on the kitchen floor at night, ceiling light, beige tiles beside the sink. A few drops of clean rinse water drip from the counter edge onto the tile. The dog sniffs the drops and licks them up quickly. Then she lies back down on the mat with a soft grunt. Sound: water dripping, licking, owner says "you are not the mop". 15-20s (Big yawn): Kitchen at night, light over the sink, the dog lying back down on the striped mat. She stretches her neck out, opens her mouth in a huge yawn with a little squeak, then settles her chin on the owner's sock. Sound: a squeaky yawn, plates stacking in a rack, quiet kitchen. 20-25s (Tap off): Kitchen at night, ceiling light, the owner's hand turning off the tap. At the sound the dog jumps up from the mat, tail wagging hard, and follows the owner's feet as they walk out of the kitchen toward the living room. Sound: tap squeaking off, claws on tile, owner says "okay, we are done".

AVOID / NEGATIVE PROMPT (paste into the negative box, or add "Avoid: ..." at the end)

cinematic, slow motion, lens flare, golden glow, dramatic lighting, studio lighting, color grading, film look, perfect shiny fur, glowing eyes, human-like facial expressions, smooth drone or gimbal movement, background music, text, subtitles, watermark, extra legs, extra tail, morphing, warped paws, plastic-looking skin or fur

CLIP-BY-CLIP PROMPTS (backup)

Use these only if Muse AI makes a video shorter than 25 seconds: make each clip separately, then join them in order. Every prompt already includes the same dog and camera wording.

Clip 1 | 0-5s | Mat lying

Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. A real adult female German Shepherd with a black saddle, rich red-tan legs, chest and face, a dark mask around the muzzle, upright ears, a slightly slimmer build, wearing a faded red nylon collar with a small round metal tag, natural slightly messy coat. Kitchen at night, ordinary ceiling light and the light over the sink on, a striped kitchen mat in front of the sink, the owner's legs in jeans and socks. The dog lies on the mat right behind the owner's heels, head on her paws. Sound: water running, dishes clinking, a soft dog sigh.

Clip 2 | 5-10s | Leaning in

Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. HOW TO MAKE IT LOOK REAL

Use a real photo	Biggest realism boost: use Image-to-Video and upload the same real German Shepherd photo for every clip. Same photo = same dog in all 5 clips.
Muse AI: one video	Paste the full 25-second prompt into Muse AI. It tells Muse AI to combine all 5 clips into ONE 25-second video. If the result comes out shorter, make each clip with its own prompt and join them in order (CapCut) with simple hard cuts.
Pick the most natural	Generate 2-3 versions of each clip and keep the one where the dog moves most naturally. Delete any clip with weird legs, tail or face.
Keep the real sound	Keep the natural sounds (paws, tags, panting, owner's voice). If you add a trending Facebook sound, keep it quiet underneath.
No filters	Do not add filters, slow motion or fancy transitions - real home videos don't have them.
