Splash Pool Party for Two

One 25-second video | 5 clips combined | Real phone-video look | 9:16 Reel

VIDEO IDEA

A hot summer afternoon with a shallow kiddie pool in the backyard: testing the water, the Corgi hopping in, splashing paws, a hose sprinkle and drying off on a towel.

TIMELINE

0-5s	Testing the water
5-10s	Corgi hops in
10-15s	Splashing paws
15-20s	Hose sprinkle
20-25s	Drying off

MUSE AI PROMPT - COMBINE ALL 5 CLIPS INTO ONE 25-SECOND VIDEO (copy and paste)

Make ONE single 25-second video by combining these 5 clips in order, 5 seconds each, joined with simple hard cuts into one continuous video. Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. The dog is a real adult female long-coat black-and-tan German Shepherd with a black saddle, warm tan legs, chest and face, fluffy longer fur on the ears, neck, chest and tail, gentle eyes, upright ears, wearing a bright yellow collar with a small round tag. 0-5s (Testing the water): Backyard on a hot sunny afternoon, dry yellowing grass and a blue plastic kiddie pool with ankle-deep water. The dog steps one front paw into the pool, then the other, sniffing the surface. A small red-and-white Pembroke Welsh Corgi with a blue collar stands at the edge watching. Sound: water rippling, cicadas buzzing, owner says "is it cold?". 5-10s (Corgi hops in): Same backyard, bright summer sun, the shallow blue kiddie pool. The small red-and-white Corgi with a blue collar hops over the low edge into the ankle-deep water and its fluffy belly touches the surface. The dog stands in the pool beside it, wagging so her wet tail flicks water. Sound: a splash, water dripping, owner laughing "he's in". 10-15s (Splashing paws): Backyard kiddie pool, harsh midday sunlight. The dog paws at the shallow water with one front leg, making splashes, then bites at the droplets. The small red-and-white Corgi with a blue collar stands at the other end of the pool, blinking as drops land on its face. Sound: splashing, snapping at water, cicadas. 15-20s (Hose sprinkle): Next to the kiddie pool, sunny afternoon, a green garden hose. The owner's hand holds the hose on a gentle shower setting. The dog snaps playfully at the soft spray while the small red-and-white Corgi with a blue collar stands still and lets the water sprinkle on its back. Sound: hose spraying, water pattering on plastic, owner says "cooling off". 20-25s (Drying off): Patio in the afternoon sun, an old striped beach towel spread on the concrete. The dog lies on the towel with her long wet fur clumped and dripping. The small red-and-white Corgi with a blue collar shakes off nearby, then flops down next to her on the towel. Sound: a big shake spraying water, panting, a sprinkler ticking next door.

AVOID / NEGATIVE PROMPT (paste into the negative box, or add "Avoid: ..." at the end)

cinematic, slow motion, lens flare, golden glow, dramatic lighting, studio lighting, color grading, film look, perfect shiny fur, glowing eyes, human-like facial expressions, smooth drone or gimbal movement, background music, text, subtitles, watermark, extra legs, extra tail, morphing, warped paws, plastic-looking skin or fur

CLIP-BY-CLIP PROMPTS (backup)

Use these only if Muse AI makes a video shorter than 25 seconds: make each clip separately, then join them in order. Every prompt already includes the same dog and camera wording.

Clip 1 | 0-5s | Testing the water

Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. A real adult female long-coat black-and-tan German Shepherd with a black saddle, warm tan legs, chest and face, fluffy longer fur on the ears, neck, chest and tail, gentle eyes, upright ears, wearing a bright yellow collar with a small round tag. Backyard on a hot sunny afternoon, dry yellowing grass and a blue plastic kiddie pool with ankle-deep water. The dog steps one front paw into the pool, then the other, sniffing the surface. A small red-and-white Pembroke Welsh Corgi with a blue collar stands at the edge watching. Sound: water rippling, cicadas buzzing, owner says "is it cold?".

Clip 2 | 5-10s | Corgi hops in

Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. HOW TO MAKE IT LOOK REAL

Use a real photo	Biggest realism boost: use Image-to-Video and upload the same real German Shepherd photo for every clip. Same photo = same dog in all 5 clips.
Muse AI: one video	Paste the full 25-second prompt into Muse AI. It tells Muse AI to combine all 5 clips into ONE 25-second video. If the result comes out shorter, make each clip with its own prompt and join them in order (CapCut) with simple hard cuts.
Pick the most natural	Generate 2-3 versions of each clip and keep the one where the dog moves most naturally. Delete any clip with weird legs, tail or face.
Keep the real sound	Keep the natural sounds (paws, tags, panting, owner's voice). If you add a trending Facebook sound, keep it quiet underneath.
No filters	Do not add filters, slow motion or fancy transitions - real home videos don't have them.
