Clip 7 of 20 · 3:00–3:30 · Boat Ideas

Vertical 9:16, 1080×1920, 30 seconds, 24 fps. 2D hand-drawn-look cartoon in classic Curious George storybook style: clean dark outlines, flat bright colors, soft shading. Setting: a sunny summer lakeside park with a bright blue lake, big leafy trees and a yellow wooden dock. Keep faces and action in the center. No on-screen text, no subtitles, no watermark.

Characters: GEORGE (small brown monkey, tan face, big round eyes, curl of hair on top, no tail). WHITE DUCK (white duck with an orange bill).

No double: only ONE of each character in every shot (one George, never two or more). Every shot happens once, in order: no repeats, no loops, and do not replay the previous clip. Negative prompt: duplicate characters, twins, clones, split screen, repeated or looping frames.

0–5s: Imagined: a red-and-white steamboat with round portholes puffs smoke from its tall stack.

5–9s: GEORGE taps the red pencil on his lips, thinking.

9–13s: Imagined: a red fan boat with a big propeller zips across the water.

13–18s: GEORGE stands in the water writing notes on his notepad.

18–24s: GEORGE dives underwater: turquoise water, bubbles. Cheeks puffed, he points up at a red toy hull floating on the surface.

24–30s: The WHITE DUCK paddles down beside him and peers at him. GEORGE shrugs at the duck.

Audio: steamboat toot, propeller whirr, underwater bubbles, a duck quack.
