Clip 14 of 20 · 6:30–7:00 · Stuck in the Reeds

Vertical 9:16, 1080×1920, 30 seconds, 24 fps. 2D hand-drawn-look cartoon in classic Curious George storybook style: clean dark outlines, flat bright colors, soft shading. Setting: the same lakeside park in warm late-afternoon light, a bright blue lake, a yellow wooden dock, tall cattail reeds near a tiny island. Keep faces and action in the center. No on-screen text, no subtitles, no watermark.

Characters: GEORGE (small brown monkey, tan face, big round eyes, curl of hair on top, no tail). MAN IN YELLOW (tall slim man, all-yellow suit and tie, wide-brim yellow hat, round glasses, brown boots, folded yellow umbrella). BOY (teenage boy, brown hair, freckles, navy baseball cap, red-and-white striped long-sleeve shirt, blue jeans).

No double: only ONE of each character in every shot (one George, never two or more). Every shot happens once, in order: no repeats, no loops, and do not replay the previous clip. Negative prompt: duplicate characters, twins, clones, split screen, repeated or looping frames.

0–4s: MAN IN YELLOW grabs his yellow hat with both hands as picnic napkins fly past.

4–10s: The sailboat's sail fills with wind and it shoots away across the lake, getting smaller and smaller.

10–15s: Close-up of BOY pressing the remote again and again. The antenna light blinks off.

15–21s: Tall shot across the lake: far away by a tiny island, the sailboat is stuck sideways in tall cattail reeds.

21–26s: MAN IN YELLOW kindly shakes his head and points at a small sign post with a wave symbol: too deep to wade.

26–30s: Close-up of GEORGE looking from the far sailboat down to his little cork raft.

Audio: whooshing wind, remote clicks, soft sad strings.
