Clip 15 of 20 · 7:00–7:30 · The Rescue Boat

Vertical 9:16, 1080×1920, 30 seconds, 24 fps. 2D hand-drawn-look cartoon in classic Curious George storybook style: clean dark outlines, flat bright colors, soft shading. Setting: the same lakeside park in warm late-afternoon light, a bright blue lake, a yellow wooden dock, tall cattail reeds near a tiny island. Keep faces and action in the center. No on-screen text, no subtitles, no watermark.

Characters: GEORGE (small brown monkey, tan face, big round eyes, curl of hair on top, no tail). MAN IN YELLOW (tall slim man, all-yellow suit and tie, wide-brim yellow hat, round glasses, brown boots, folded yellow umbrella).

No double: only ONE of each character in every shot (one George, never two or more). Every shot happens once, in order: no repeats, no loops, and do not replay the previous clip. Negative prompt: duplicate characters, twins, clones, split screen, repeated or looping frames.

0–5s: GEORGE lifts his raft out of the water. The pinwheel spins fast. He licks a finger and holds it up: the wind blows toward the island.

5–10s: A soft pink thought bubble: his raft with a little sail racing to the reeds, a long string trailing back to the dock. GEORGE claps.

10–15s: GEORGE digs through the red bucket: a spool of white string, a wooden clothespin, extra corks.

15–19s: MAN IN YELLOW smiles and hands GEORGE his yellow handkerchief.

19–26s: Building montage: GEORGE ties the handkerchief to the bottle mast as a sail, clips the clothespin to the front, ties the string to the back.

26–30s: GEORGE holds up the finished rescue boat, the yellow sail fluttering.

Audio: 'aha!' sting, playful building music, a clothespin click.
