Negative Prompt (sob prompt-er jonno)

extra legs, deformed paws, blurry face, cartoon, wrong breed, morphing, text, watermark, distorted humans, slow motion, video shorter or longer than 20 seconds

Prompt 1: Down - Sit - Beg (20 seconds)

A vertical 9:16 video, **exactly 20 seconds long**, realistic footage of an adorable fluffy long-haired German Shepherd puppy (about 4 months old, black-and-tan coat, big upright ears, wearing a black tactical harness with a small white text patch) doing obedience training on bright green artificial turf in an outdoor K9 training yard: green hedge wall, red training boxes, a chain-link gate with a dog-training banner, trainers in black uniforms (black t-shirt, black cargo pants, boots) visible only from the chest down. A small black duffel bag sits on the grass right next to the puppy. Soft natural daylight, handheld smartphone camera at low dog-eye level, shallow depth of field, ultra-realistic fur detail, 4K. Real-life viral dog-training reel, natural real-time movement, no slow motion, no text overlay, accurate German Shepherd anatomy, the same dog with a consistent look for the full 20 seconds. One continuous video, exactly 20 seconds long.

Timeline (total 20 seconds):
0-4s: The puppy lies in a perfect "down" beside the black bag, eyes locked on the trainer; the trainer's hand gives a flat downward signal.
4-8s: Palm up: the puppy springs into a neat "sit", tail swishing, then drops back to "down" on the next signal.
8-12s: Close-up of the puppy's face near the bag, one fluffy paw forward, ears perked, calm eyes on camera.
12-16s: Wide shot: the puppy quickly repeats sit, down, sit, perfectly obedient.
16-20s: The trainer lifts his hand high; the puppy rises on its hind legs into a "beg" pose, front paws to chest, holding it proudly until the end.

Prompt 2: Stay & Recall Run (20 seconds)

A vertical 9:16 video, **exactly 20 seconds long**, realistic footage of an adorable fluffy long-haired German Shepherd puppy (about 4 months old, black-and-tan coat, big upright ears, wearing a black tactical harness with a small white text patch) doing obedience training on bright green artificial turf in an outdoor K9 training yard: green hedge wall, red training boxes, a chain-link gate with a dog-training banner, trainers in black uniforms (black t-shirt, black cargo pants, boots) visible only from the chest down. Soft natural daylight, handheld smartphone camera at low dog-eye level, shallow depth of field, ultra-realistic fur detail, 4K. Real-life viral dog-training reel, natural real-time movement, no slow motion, no text overlay, accurate German Shepherd anatomy, the same dog with a consistent look for the full 20 seconds. One continuous video, exactly 20 seconds long.

Timeline (total 20 seconds):
0-4s: The puppy sits beside the trainer's boots; the trainer shows an open palm "stay" signal.
4-9s: The trainer walks backwards about 5 meters; the puppy stays frozen in place, ears twitching, watching intently.
9-12s: Close-up of the puppy's eager face, tiny whine, paws shuffling but not moving.
12-16s: The trainer pats his leg; the puppy bursts forward and sprints across the turf, ears flapping, fur bouncing.
16-20s: The puppy slides to a stop in front of the trainer and sits perfectly, looking up; the trainer's hand gently pats its head.

Prompt 3: Paw Shake, High-Five & Spin (20 seconds)

A vertical 9:16 video, **exactly 20 seconds long**, realistic footage of an adorable fluffy long-haired German Shepherd puppy (about 4 months old, black-and-tan coat, big upright ears, wearing a black tactical harness with a small white text patch) doing obedience training on bright green artificial turf in an outdoor K9 training yard: green hedge wall, red training boxes, a chain-link gate with a dog-training banner, trainers in black uniforms (black t-shirt, black cargo pants, boots) visible only from the chest down. Soft natural daylight, handheld smartphone camera at low dog-eye level, shallow depth of field, ultra-realistic fur detail, 4K. Real-life viral dog-training reel, natural real-time movement, no slow motion, no text overlay, accurate German Shepherd anatomy, the same dog with a consistent look for the full 20 seconds. One continuous video, exactly 20 seconds long.

Timeline (total 20 seconds):
0-4s: The puppy sits facing the crouching trainer, whose hand is held out low.
4-8s: The puppy places its right paw in the trainer's hand for a "shake", then the left paw.
8-12s: The trainer raises his palm; the puppy jumps lightly into a cute "high-five" with its front paw.
12-16s: The trainer circles his finger; the puppy spins one full circle, then a second one the other way.
16-20s: The puppy sits again, tilts its head adorably and offers its paw one more time; close-up hold to the end.

Prompt 4: Adult Heel Walk (20 seconds)

A vertical 9:16 video, **exactly 20 seconds long**, realistic footage of a strong adult male German Shepherd (black-and-tan saddle coat, upright ears, black tactical harness) doing obedience training on bright green artificial turf in an outdoor K9 training yard: green hedge wall, red training boxes, a chain-link gate with a dog-training banner, trainers in black uniforms (black t-shirt, black cargo pants, boots) visible only from the chest down. Soft natural daylight, handheld smartphone camera at low dog-eye level, shallow depth of field, ultra-realistic fur detail, 4K. Real-life viral dog-training reel, natural real-time movement, no slow motion, no text overlay, accurate German Shepherd anatomy, the same dog with a consistent look for the full 20 seconds. One continuous video, exactly 20 seconds long.

Timeline (total 20 seconds):
0-4s: The dog sits at the handler's left leg in perfect heel position, eyes up on the handler's face.
4-9s: The handler starts walking; the dog moves in tight heel, shoulder glued to the handler's knee.
9-13s: Handler makes a sharp right turn and a U-turn; the dog follows flawlessly, never breaking eye contact.
13-16s: Low tracking shot alongside the dog's face, muscles rippling, confident gait.
16-20s: Handler stops; the dog instantly sits in heel position and holds still, looking up until the end.

Prompt 5: Fetch & Drop It (20 seconds)

A vertical 9:16 video, **exactly 20 seconds long**, realistic footage of an adorable fluffy long-haired German Shepherd puppy (about 4 months old, black-and-tan coat, big upright ears, wearing a black tactical harness with a small white text patch) doing obedience training on bright green artificial turf in an outdoor K9 training yard: green hedge wall, red training boxes, a chain-link gate with a dog-training banner, trainers in black uniforms (black t-shirt, black cargo pants, boots) visible only from the chest down. A red rubber ball toy lies on the turf. Soft natural daylight, handheld smartphone camera at low dog-eye level, shallow depth of field, ultra-realistic fur detail, 4K. Real-life viral dog-training reel, natural real-time movement, no slow motion, no text overlay, accurate German Shepherd anatomy, the same dog with a consistent look for the full 20 seconds. One continuous video, exactly 20 seconds long.

Timeline (total 20 seconds):
0-3s: The puppy sits waiting, eyes fixed on the red ball in the trainer's hand.
3-7s: The trainer tosses the ball; the puppy waits for the release signal, then dashes after it.
7-11s: The puppy grabs the ball, happily trots back with it in its mouth, tail wagging.
11-15s: The puppy sits in front of the trainer holding the ball; on the "drop" hand signal it releases it into his palm.
15-20s: Close-up of the puppy's proud face, tongue out, ears perked, waiting for the next throw until the end.

Prompt 6: Speak & Quiet (20 seconds)

A vertical 9:16 video, **exactly 20 seconds long**, realistic footage of an adorable fluffy long-haired German Shepherd puppy (about 4 months old, black-and-tan coat, big upright ears, wearing a black tactical harness with a small white text patch) doing obedience training on bright green artificial turf in an outdoor K9 training yard: green hedge wall, red training boxes, a chain-link gate with a dog-training banner, trainers in black uniforms (black t-shirt, black cargo pants, boots) visible only from the chest down. Soft natural daylight, handheld smartphone camera at low dog-eye level, shallow depth of field, ultra-realistic fur detail, 4K. Real-life viral dog-training reel, natural real-time movement, no slow motion, no text overlay, accurate German Shepherd anatomy, the same dog with a consistent look for the full 20 seconds. One continuous video, exactly 20 seconds long.

Timeline (total 20 seconds):
0-4s: The puppy sits facing the trainer, ears forward, very focused.
4-8s: The trainer opens and closes his hand; the puppy gives two cute little barks on command.
8-12s: The trainer puts a finger to his lips; the puppy immediately goes silent and sits still.
12-16s: Close-up: the puppy tilts its head left and right, ears moving, looking confused and adorable.
16-20s: On one more signal the puppy gives a single proud bark, then lies down calmly and holds until the end.

Prompt 7: Mini Agility (20 seconds)

A vertical 9:16 video, **exactly 20 seconds long**, realistic footage of an adorable fluffy long-haired German Shepherd puppy (about 4 months old, black-and-tan coat, big upright ears, wearing a black tactical harness with a small white text patch) doing obedience training on bright green artificial turf in an outdoor K9 training yard: green hedge wall, red training boxes, a chain-link gate with a dog-training banner, trainers in black uniforms (black t-shirt, black cargo pants, boots) visible only from the chest down. A tiny agility hurdle, a low crawl bar and a short tunnel are set up on the turf. Soft natural daylight, handheld smartphone camera at low dog-eye level, shallow depth of field, ultra-realistic fur detail, 4K. Real-life viral dog-training reel, natural real-time movement, no slow motion, no text overlay, accurate German Shepherd anatomy, the same dog with a consistent look for the full 20 seconds. One continuous video, exactly 20 seconds long.

Timeline (total 20 seconds):
0-4s: The puppy sits at the start line beside the trainer, ready, tail wagging.
4-8s: On the signal it runs and hops cleanly over the small hurdle, ears flapping.
8-12s: It drops low and crawls under the bar on its belly, fluffy fur brushing the turf.
12-16s: It dashes through the short tunnel and pops out the other side.
16-20s: The puppy runs back to the trainer and sits perfectly, panting happily, looking up until the end.

Prompt 8: Bag Detection Test (20 seconds)

A vertical 9:16 video, **exactly 20 seconds long**, realistic footage of an adorable fluffy long-haired German Shepherd puppy (about 4 months old, black-and-tan coat, big upright ears, wearing a black tactical harness with a small white text patch) doing obedience training on bright green artificial turf in an outdoor K9 training yard: green hedge wall, red training boxes, a chain-link gate with a dog-training banner, trainers in black uniforms (black t-shirt, black cargo pants, boots) visible only from the chest down. Three identical black duffel bags sit in a row on the turf. Soft natural daylight, handheld smartphone camera at low dog-eye level, shallow depth of field, ultra-realistic fur detail, 4K. Real-life viral dog-training reel, natural real-time movement, no slow motion, no text overlay, accurate German Shepherd anatomy, the same dog with a consistent look for the full 20 seconds. One continuous video, exactly 20 seconds long.

Timeline (total 20 seconds):
0-4s: The puppy sits beside the trainer facing the three black bags; trainer gives a "search" signal.
4-9s: The puppy walks along the row, sniffing the first bag, then the second, nose working.
9-13s: At the third bag it pauses, sniffs harder, ears perk up.
13-16s: The puppy sits firmly beside the third bag and stares at it: a perfect passive alert.
16-20s: Close-up of the puppy's focused face next to the bag, holding the alert until the end.

Prompt 9: Twin Puppies Sync (20 seconds)

A vertical 9:16 video, **exactly 20 seconds long**, realistic footage of two identical fluffy long-haired German Shepherd puppies (about 4 months old, black-and-tan coats, matching black tactical harnesses) doing obedience training on bright green artificial turf in an outdoor K9 training yard: green hedge wall, red training boxes, a chain-link gate with a dog-training banner, trainers in black uniforms (black t-shirt, black cargo pants, boots) visible only from the chest down. The puppies sit side by side. Soft natural daylight, handheld smartphone camera at low dog-eye level, shallow depth of field, ultra-realistic fur detail, 4K. Real-life viral dog-training reel, natural real-time movement, no slow motion, no text overlay, accurate German Shepherd anatomy, the same dog with a consistent look for the full 20 seconds. One continuous video, exactly 20 seconds long.

Timeline (total 20 seconds):
0-4s: Both puppies sit side by side facing the trainer, ears up.
4-8s: Hand signal down: both drop into "down" at exactly the same moment.
8-12s: Palm up: both spring back into "sit" in perfect sync.
12-16s: Close-up of the two fluffy faces side by side, one tilts its head.
16-20s: Hand lifted high: both rise on their hind legs into a "beg" pose together, holding it until the end.

Prompt 10: Bow, Roll Over & Play Dead (20 seconds)

A vertical 9:16 video, **exactly 20 seconds long**, realistic footage of an adorable fluffy long-haired German Shepherd puppy (about 4 months old, black-and-tan coat, big upright ears, wearing a black tactical harness with a small white text patch) doing obedience training on bright green artificial turf in an outdoor K9 training yard: green hedge wall, red training boxes, a chain-link gate with a dog-training banner, trainers in black uniforms (black t-shirt, black cargo pants, boots) visible only from the chest down. Soft natural daylight, handheld smartphone camera at low dog-eye level, shallow depth of field, ultra-realistic fur detail, 4K. Real-life viral dog-training reel, natural real-time movement, no slow motion, no text overlay, accurate German Shepherd anatomy, the same dog with a consistent look for the full 20 seconds. One continuous video, exactly 20 seconds long.

Timeline (total 20 seconds):
0-4s: The puppy stands facing the trainer, tail wagging.
4-8s: The trainer sweeps his hand down; the puppy does a cute "bow", front down, rear up.
8-12s: The trainer circles his hand; the puppy lies down and rolls over completely.
12-16s: Finger "bang" gesture: the puppy flops onto its side and plays dead, legs out, eyes peeking.
16-20s: On "up" it jumps up, shakes its fluffy coat and sits proudly looking up at the trainer until the end.
