The German Shepherd Lean

One 25-second video | 5 clips combined | Real phone-video look | 9:16 Reel

VIDEO IDEA

He leans his whole body against me everywhere we go: at the kitchen counter, the park bench, the street corner, the sofa, and finally he leans so hard he slides to the floor.

TIMELINE

0-5s	Counter lean
5-10s	Park bench lean
10-15s	Street corner lean
15-20s	Sofa lean
20-25s	Lean and slide

MUSE AI PROMPT - COMBINE ALL 5 CLIPS INTO ONE 25-SECOND VIDEO (copy and paste)

Make ONE single 25-second video by combining these 5 clips in order, 5 seconds each, joined with simple hard cuts into one continuous video. Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. The dog is a real adult male long-coat German Shepherd with a sable coat of grey-brown fur with black tips, a darker back, fluffy longer fur on the ears, neck, chest and tail, upright ears, wearing a navy blue nylon collar with a small silver tag, natural fluffy coat that is not perfectly groomed. 0-5s (Counter lean): Kitchen in the afternoon, daylight from a side window, wooden cutting board on the counter with carrots. Camera points down at the owner's legs. The dog walks up and leans his full weight against the owner's shins, fluffy side pressed flat, and looks up while the owner keeps chopping. Sound: knife tapping the board, owner laughs "you're going to knock me over". 5-10s (Park bench lean): Neighborhood park, cloudy midday, green wooden bench, gravel path and a trash can. The owner sits on the bench, and the dog sits on the gravel and slowly tips his body sideways against the owner's legs, resting there with his head turned to watch people walking far away on the path. Sound: birds, gravel crunching under someone's steps, the dog sighing. 10-15s (Street corner lean): Quiet residential sidewalk, overcast late morning, parked cars and a small tree with a metal grate. The owner stops at the curb waiting to cross, leash short, and the dog sits and leans into the owner's leg, his fluffy tail curled on the concrete, ears turning toward a passing car. Sound: car passing, leash clip jingling, owner says "wait". 15-20s (Sofa lean): Living room in the evening, ordinary ceiling light, brown leather sofa and a coffee table with a remote. The owner sits on the sofa and the dog sits on the floor in front, then leans backward into the owner's knees, letting his head rest against the owner's thigh while the owner rubs his chest fur. Sound: TV murmuring low, a deep groan of happiness. 20-25s (Lean and slide): Hallway with a wooden floor, afternoon daylight from the living room. The dog leans harder and harder against the owner's legs, then slowly slides down until he is lying across the owner's feet on his back, legs loose, fluffy belly up, looking at the camera upside down. Sound: claws sliding on wood, owner laughing "every single time".

AVOID / NEGATIVE PROMPT (paste into the negative box, or add "Avoid: ..." at the end)

cinematic, slow motion, lens flare, golden glow, dramatic lighting, studio lighting, color grading, film look, perfect shiny fur, glowing eyes, human-like facial expressions, smooth drone or gimbal movement, background music, text, subtitles, watermark, extra legs, extra tail, morphing, warped paws, plastic-looking skin or fur

CLIP-BY-CLIP PROMPTS (backup)

Use these only if Muse AI makes a video shorter than 25 seconds: make each clip separately, then join them in order. Every prompt already includes the same dog and camera wording.

Clip 1 | 0-5s | Counter lean

Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. A real adult male long-coat German Shepherd with a sable coat of grey-brown fur with black tips, a darker back, fluffy longer fur on the ears, neck, chest and tail, upright ears, wearing a navy blue nylon collar with a small silver tag, natural fluffy coat that is not perfectly groomed. Kitchen in the afternoon, daylight from a side window, wooden cutting board on the counter with carrots. Camera points down at the owner's legs. The dog walks up and leans his full weight against the owner's shins, fluffy side pressed flat, and looks up while the owner keeps chopping. Sound: knife tapping the board, owner laughs "you're going to knock me over".

Clip 2 | 5-10s | Park bench lean

Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. A real adult male long-coat German Shepherd with a sable coat of grey-brown fur with black tips, a darker back, fluffy longer fur on the ears, neck, chest and tail, upright ears, wearing a navy blue nylon collar with a small silver tag, natural fluffy coat that is not perfectly groomed. Neighborhood park, cloudy midday, green wooden bench, gravel path and a trash can. The owner sits on the bench, and the dog sits on the gravel and slowly tips his body sideways against the owner's legs, resting there with his head turned to watch people walking far away on the path. Sound: birds, gravel crunching under someone's steps, the dog sighing.

Clip 3 | 10-15s | Street corner lean

Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. A real adult male long-coat German Shepherd with a sable coat of grey-brown fur with black tips, a darker back, fluffy longer fur on the ears, neck, chest and tail, upright ears, wearing a navy blue nylon collar with a small silver tag, natural fluffy coat that is not perfectly groomed. Quiet residential sidewalk, overcast late morning, parked cars and a small tree with a metal grate. The owner stops at the curb waiting to cross, leash short, and the dog sits and leans into the owner's leg, his fluffy tail curled on the concrete, ears turning toward a passing car. Sound: car passing, leash clip jingling, owner says "wait".

Clip 4 | 15-20s | Sofa lean

Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. A real adult male long-coat German Shepherd with a sable coat of grey-brown fur with black tips, a darker back, fluffy longer fur on the ears, neck, chest and tail, upright ears, wearing a navy blue nylon collar with a small silver tag, natural fluffy coat that is not perfectly groomed. Living room in the evening, ordinary ceiling light, brown leather sofa and a coffee table with a remote. The owner sits on the sofa and the dog sits on the floor in front, then leans backward into the owner's knees, letting his head rest against the owner's thigh while the owner rubs his chest fur. Sound: TV murmuring low, a deep groan of happiness.

Clip 5 | 20-25s | Lean and slide

Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. HOW TO MAKE IT LOOK REAL

Use a real photo	Biggest realism boost: use Image-to-Video and upload the same real German Shepherd photo for every clip. Same photo = same dog in all 5 clips.
Muse AI: one video	Paste the full 25-second prompt into Muse AI. It tells Muse AI to combine all 5 clips into ONE 25-second video. If the result comes out shorter, make each clip with its own prompt and join them in order (CapCut) with simple hard cuts.
Pick the most natural	Generate 2-3 versions of each clip and keep the one where the dog moves most naturally. Delete any clip with weird legs, tail or face.
Keep the real sound	Keep the natural sounds (paws, tags, panting, owner's voice). If you add a trending Facebook sound, keep it quiet underneath.
No filters	Do not add filters, slow motion or fancy transitions - real home videos don't have them.
