Daily Water Bowl Refill

One 25-second video | 5 clips combined | Real phone-video look | 9:16 Reel

VIDEO IDEA

The simple daily water refill: she watches the bowl get rinsed, follows it to the sink, waits for it to be set down, drinks and leaves a wet trail across the floor.

TIMELINE

0-5s	Empty bowl look
5-10s	Following to sink
10-15s	Waiting at sink
15-20s	Fresh drink
20-25s	Wet trail

MUSE AI PROMPT - COMBINE ALL 5 CLIPS INTO ONE 25-SECOND VIDEO (copy and paste)

Make ONE single 25-second video by combining these 5 clips in order, 5 seconds each, joined with simple hard cuts into one continuous video. Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. The dog is a real adult female solid black German Shepherd with a fully black short coat that looks slightly dusty brown-black on the legs in daylight, amber-brown eyes, upright ears, athletic build, wearing a green nylon collar with a small brass tag, natural coat with a little shedding. 0-5s (Empty bowl look): Kitchen corner in the morning, bright window daylight, a steel water bowl on a rubber mat, almost empty. The dog stands over it, licks the bottom once, then looks up at the camera with her ears forward. A few dry kibble pieces sit in a second bowl beside it. Sound: tongue scraping steel, owner says "okay, I see it". 5-10s (Following to sink): Same kitchen, morning light, beige tile floor. The owner's hand picks up the bowl and walks to the sink. The dog follows close behind and sits beside the cabinet, watching the bowl in the hand. Her nails tap softly on the tiles and her tail swings in a slow, hopeful rhythm. Sound: footsteps, claws on tile, bowl clinking. 10-15s (Waiting at sink): Kitchen sink area, morning daylight from the window, white cabinets. Water runs into the steel bowl in the sink. The dog sits below, head tilted, ears twitching at the sound of the running water. A dish towel hangs from the oven handle beside her, and she licks her nose once. Sound: tap running, water filling a bowl, a little whine. 15-20s (Fresh drink): Kitchen corner, bright morning light. The owner's hand sets the full bowl down on the mat. The dog steps in and drinks in quick loud laps, water splashing over the rim onto the mat. Her collar tag clinks against the steel rim with every lap as the water level drops. Sound: loud lapping, splashing, owner says "thirsty girl". 20-25s (Wet trail): Kitchen floor in the morning, daylight on the beige tiles. The dog walks away from the bowl with water dripping from her chin, leaving a trail of drops across the tiles, then flops down on a rug by the door. Sound: water dripping, a thump on the rug, owner sighs "every time".

AVOID / NEGATIVE PROMPT (paste into the negative box, or add "Avoid: ..." at the end)

cinematic, slow motion, lens flare, golden glow, dramatic lighting, studio lighting, color grading, film look, perfect shiny fur, glowing eyes, human-like facial expressions, smooth drone or gimbal movement, background music, text, subtitles, watermark, extra legs, extra tail, morphing, warped paws, plastic-looking skin or fur

CLIP-BY-CLIP PROMPTS (backup)

Use these only if Muse AI makes a video shorter than 25 seconds: make each clip separately, then join them in order. Every prompt already includes the same dog and camera wording.

Clip 1 | 0-5s | Empty bowl look

Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. A real adult female solid black German Shepherd with a fully black short coat that looks slightly dusty brown-black on the legs in daylight, amber-brown eyes, upright ears, athletic build, wearing a green nylon collar with a small brass tag, natural coat with a little shedding. Kitchen corner in the morning, bright window daylight, a steel water bowl on a rubber mat, almost empty. The dog stands over it, licks the bottom once, then looks up at the camera with her ears forward. A few dry kibble pieces sit in a second bowl beside it. Sound: tongue scraping steel, owner says "okay, I see it".

Clip 2 | 5-10s | Following to sink

Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. FACEBOOK CAPTION

Fill bowl, she drinks half, the floor gets the other half.
Is your dog a messy drinker too?

HOW TO MAKE IT LOOK REAL

Use a real photo	Biggest realism boost: use Image-to-Video and upload the same real German Shepherd photo for every clip. Same photo = same dog in all 5 clips.
Muse AI: one video	Paste the full 25-second prompt into Muse AI. It tells Muse AI to combine all 5 clips into ONE 25-second video. If the result comes out shorter, make each clip with its own prompt and join them in order (CapCut) with simple hard cuts.
Pick the most natural	Generate 2-3 versions of each clip and keep the one where the dog moves most naturally. Delete any clip with weird legs, tail or face.
Keep the real sound	Keep the natural sounds (paws, tags, panting, owner's voice). If you add a trending Facebook sound, keep it quiet underneath.
No filters	Do not add filters, slow motion or fancy transitions - real home videos don't have them.
