Part A: German Shepherd-ke rescue

Prompt 1: Puppy in the Storm Drain

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of a fluffy German Shepherd puppy (about 3 months old, black-and-tan coat, big ears). A rainy city street at dusk, wet asphalt, a firefighter in a yellow jacket. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - Close-up of the puppy's wet face peeking up through the bars of a storm drain, whimpering, rain falling.
4s - The firefighter kneels on the wet street and lifts the heavy drain grate with a crowbar.
8s - He reaches down into the drain with both arms; the shivering puppy looks up at his gloves.
12s - He lifts the soaked puppy out and holds it against his chest under his jacket.
16s - Close-up of the puppy licking the firefighter's chin, tail starting to wag, rain still falling, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 2: Flooded Street Car Roof

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of an adult German Shepherd (black-and-tan coat, upright ears). A flooded neighborhood, brown water up to the car windows, grey sky, two rescuers in an orange rescue boat. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - The German Shepherd stands alone on the roof of a half-submerged car, barking toward the camera.
4s - The orange rescue boat moves slowly through the floodwater toward the car.
8s - A rescuer reaches out; the dog hesitates, then steps carefully into the boat.
12s - The rescuer wraps a towel around the wet, shaking dog inside the boat.
16s - The dog rests its head on the rescuer's knee as the boat moves away from the flood, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 3: Puppy in the Old Well

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of a fluffy German Shepherd puppy (about 3 months old, black-and-tan coat, big ears). A dry countryside village, an old stone well, a young man with a rope and a basket. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - Looking down into the old well: the puppy sits at the dark bottom, crying and looking up.
4s - The young man ties a basket to a rope and lowers it slowly into the well.
8s - The puppy sniffs the basket, then climbs into it.
12s - He pulls the rope up hand over hand, muscles straining.
16s - The basket reaches the top; he lifts the puppy out and hugs it, the puppy wagging its tail, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 4: Chained in the Rain

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of a thin, dirty stray adult German Shepherd with a dusty, matted black-and-tan coat and sad eyes. A muddy backyard in heavy rain, a rusty chain on a post, a female volunteer in a raincoat. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - The dog sits chained to a rusty post in the pouring rain, head low, shivering.
4s - The volunteer approaches slowly, crouches and holds out her open hand.
8s - The dog sniffs her hand and gently touches it with its nose.
12s - She cuts the rusty chain with bolt cutters; the chain falls into the mud.
16s - She wraps the dog in a warm blanket and it leans its head on her shoulder, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 5: Trust at the Garbage Dump

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of a thin, dirty stray adult German Shepherd with a dusty, matted black-and-tan coat and sad eyes. A big garbage dump at sunrise, smoke and plastic bags, a rescuer with a bowl of food. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - The skinny dog searches through garbage for food, ribs showing under the dusty coat.
4s - The rescuer sits on the ground a few meters away and slowly slides a bowl of food forward.
8s - The dog creeps forward carefully and starts eating hungrily.
12s - The rescuer slowly reaches out and gently strokes the dog's back; the dog lets him.
16s - The dog lies down next to the rescuer and puts its head on his leg, sunrise behind them, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 6: Box by the Roadside

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of a fluffy German Shepherd puppy (about 3 months old, black-and-tan coat, big ears). A lonely country road in light rain, a soggy cardboard box in the grass, a young woman getting out of her car. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - A wet cardboard box sits by the road; a tiny puppy's head pops out, crying.
4s - The woman's car stops; she runs over with an umbrella.
8s - She kneels and looks into the box; the puppy wobbles toward her hands.
12s - She lifts the puppy out and wraps it inside her jacket.
16s - Inside the warm car, the puppy falls asleep on her lap as the wipers move, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 7: Trapped on Thin Ice

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of an adult German Shepherd (black-and-tan coat, upright ears). A frozen lake in winter, cracked ice, a rescuer in a red dry suit with a ladder. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - The dog is stuck in a hole in the ice, front paws on the edge, slipping back into the water.
4s - The rescuer slides a ladder across the ice and crawls along it flat on his belly.
8s - He grabs the dog by its collar and back.
12s - He pulls the dog out of the water onto the ice and drags it back along the ladder.
16s - On the shore the dog shakes off icy water and licks the rescuer's face, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 8: Under the Collapsed Shed

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of an adult German Shepherd (black-and-tan coat, upright ears). A backyard after a storm, a collapsed wooden shed, two neighbours lifting boards. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - Only the dog's nose and one paw are visible under the broken wooden boards, whining.
4s - Two neighbours lift a heavy board together.
8s - They lift a second board; the dog's head appears, ears flat.
12s - The dog crawls out from under the boards, limping slightly, and shakes off the dust.
16s - The dog jumps up and puts its paws on one neighbour's chest, tail wagging hard, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 9: Puppy Stuck in the Fence

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of a fluffy German Shepherd puppy (about 3 months old, black-and-tan coat, big ears). A garden with a metal bar fence, sunny afternoon, an older man with gloves. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - The puppy's head is stuck between two fence bars; it pulls back and whines.
4s - The man kneels and gently holds the puppy's body to stop it pulling.
8s - He carefully turns the puppy's head at an angle.
12s - The puppy's head slides free of the bars.
16s - The puppy jumps into the man's arms and licks his face as he laughs, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 10: Mother and Pups Under the House

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of a thin mother German Shepherd and four tiny German Shepherd puppies. An abandoned wooden house, dark gap under the floor, a rescue team with a plastic crate and a flashlight. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - A flashlight shines under the house: the mother dog lies with four puppies, guarding them.
4s - A rescuer places a bowl of food and the open crate in front of the gap.
8s - The mother comes out slowly, sniffs the food and starts eating.
12s - The rescuer gently lifts the puppies one by one into the crate.
16s - The mother walks into the crate and lies down with her puppies as the door closes softly, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 11: Caught in the River Current

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of an adult German Shepherd (black-and-tan coat, upright ears). A fast brown river after rain, rocky bank, a rescuer with a rope tied around his waist. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - The dog is pulled along by the fast current, paddling hard, head just above the water.
4s - The rescuer runs along the bank and wades into the water, rope tied to a tree behind him.
8s - He grabs the dog's harness as it passes.
12s - Team members on the bank pull the rope; both reach the shallow water.
16s - On the rocks, the soaked dog lies against the rescuer, breathing hard, safe, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 12: Bath Day Transformation

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of a thin, dirty stray adult German Shepherd with a dusty, matted black-and-tan coat and sad eyes. An animal shelter washroom with a steel tub, warm light, a groomer in a blue apron. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - The dirty, matted dog stands in the tub looking nervous.
4s - Warm water and foam pour over the dog; brown water runs off its coat.
8s - The groomer dries the dog with a towel and a blow dryer; the fur starts to fluff up.
12s - The dog now has a clean, shiny black-and-tan coat and bright eyes.
16s - The clean dog wags its tail and licks the groomer's cheek, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 13: Limping on the Highway

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of a thin, dirty stray adult German Shepherd with a dusty, matted black-and-tan coat and sad eyes. A busy highway shoulder, cars passing, a truck driver in a reflective vest. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - The dog limps along the highway shoulder holding up one front paw, cars rushing by.
4s - A truck pulls over; the driver gets out with hazard lights blinking.
8s - He crouches and calls softly; the dog limps toward him.
12s - He lifts the dog carefully into his arms.
16s - Inside the truck cab, the dog rests on the seat with a bandaged paw, looking at him, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 14: Stuck in the Mud

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of a fluffy German Shepherd puppy (about 3 months old, black-and-tan coat, big ears). A muddy riverbank after rain, a farmer in boots. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - The puppy is stuck up to its belly in thick mud, struggling and crying.
4s - The farmer lays a wooden plank on the mud and steps onto it.
8s - He reaches down and pulls the puppy slowly out of the sucking mud.
12s - He rinses the muddy puppy with a bucket of clean water.
16s - The clean puppy shakes water everywhere and runs happy circles around his boots, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 15: Out of the Smoky Barn

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of an adult German Shepherd (black-and-tan coat, upright ears). A farm barn filled with smoke at night, a firefighter in full gear, a fire truck with flashing lights. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - Thick smoke pours out of the barn door; a dog barks from inside.
4s - The firefighter runs into the smoke.
8s - He walks out of the smoke carrying the German Shepherd in his arms.
12s - He kneels by the fire truck and puts a small pet oxygen mask on the dog's nose.
16s - The dog lifts its head, breathes, and wags its tail weakly against his arm, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 16: Puppy on the Cliff Ledge

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of a fluffy German Shepherd puppy (about 3 months old, black-and-tan coat, big ears). A rocky seaside cliff, waves below, a rescuer on a rope with a helmet. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - The puppy sits on a narrow rock ledge halfway down the cliff, waves crashing far below.
4s - The rescuer rappels slowly down the cliff on a rope.
8s - He reaches the ledge and gently scoops up the puppy.
12s - He zips the puppy inside his jacket, only its head sticking out.
16s - The team pulls them up; at the top the puppy licks his helmet strap, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 17: Left in a Hot Car

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of an adult German Shepherd (black-and-tan coat, upright ears). A sunny parking lot, heat haze, a police officer and a crowd. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - The dog pants heavily behind a closed car window, paws on the glass.
4s - A police officer looks in, then breaks the back window with a tool.
8s - He opens the door and helps the dog out.
12s - He pours water from a bottle into his hand; the dog drinks thirstily.
16s - In the shade, the dog lies on a wet towel, breathing calmly, the officer petting it, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 18: Scared Under a Car

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of a thin, dirty stray adult German Shepherd with a dusty, matted black-and-tan coat and sad eyes. A city parking lot at evening, a young woman with a bag of treats. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - The frightened dog hides under a parked car, only its eyes visible.
4s - The woman lies flat on the ground and slides a treat under the car.
8s - The dog sniffs and slowly eats the treat.
12s - She places treats closer and closer; the dog crawls out step by step.
16s - The dog sits in front of her and lets her gently clip on a leash, tail wagging slowly, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 19: Blind Senior Adopted

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of an old grey-muzzled German Shepherd with cloudy blind eyes. An animal shelter kennel and then a car, warm afternoon light, an adopting family. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - The old dog lies alone in a shelter kennel, head on its paws.
4s - A family kneels at the kennel door; the dog lifts its nose and sniffs toward them.
8s - The dog walks slowly to them and presses its head into the father's chest.
12s - In the back seat of the car, the dog sits between two smiling kids.
16s - The dog puts its head out of the car window, ears blowing in the wind, happy, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 20: Head Stuck in a Plastic Jar

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of a fluffy German Shepherd puppy (about 3 months old, black-and-tan coat, big ears). A backyard, a young man kneeling on the grass. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - The puppy runs in circles with its head stuck inside a clear plastic jar.
4s - The young man catches the puppy gently and holds its body.
8s - He carefully twists and slides the jar off the puppy's head.
12s - The puppy shakes its head, ears flapping, confused.
16s - The puppy jumps on him and licks his face while he laughs, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 21: Tangled in a Fishing Net

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of an adult German Shepherd (black-and-tan coat, upright ears). A sandy beach at sunset, an old fishing net, a fisherman with a knife. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - The dog lies on the sand, legs tangled in an old fishing net, struggling.
4s - The fisherman kneels and holds the dog calm with one hand.
8s - He carefully cuts the net strands one by one.
12s - The last strand falls away and the dog stands up free.
16s - The dog runs along the waves at sunset, then comes back to sit beside him, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 22: Buried in the Snow

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of a fluffy German Shepherd puppy (about 3 months old, black-and-tan coat, big ears). A heavy blizzard in a mountain village, deep snow, a man with a shovel. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - Only a tiny black nose sticks out of a snow pile; the puppy whimpers.
4s - The man digs quickly with his hands around the nose.
8s - He pulls the cold puppy out of the snow.
12s - He tucks it inside his thick coat; only its face shows.
16s - By a fireplace the puppy sleeps on a warm blanket, snow melting off its fur, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 23: Puppy Trapped in a Pipe

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of a fluffy German Shepherd puppy (about 3 months old, black-and-tan coat, big ears). A construction site, a long concrete drainage pipe, two workers with a saw. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - Inside a dark pipe, the puppy's eyes shine in a flashlight beam; it cries.
4s - The workers listen and mark a spot on the pipe.
8s - They carefully cut a small window into the pipe.
12s - One worker reaches inside and pulls the dusty puppy out.
16s - The workers smile as the puppy drinks water from a helmet, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 24: Umbrella at the Bus Stop

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of a thin, dirty stray adult German Shepherd with a dusty, matted black-and-tan coat and sad eyes. A rainy city bus stop at night, neon reflections, a schoolgirl with a yellow umbrella. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - The wet dog sits shivering under the bus stop bench in the rain.
4s - The girl sits down and holds her yellow umbrella over the dog.
8s - She shares her sandwich; the dog eats gently from her hand.
12s - The bus arrives; she looks at the dog, then picks up its rope leash.
16s - The girl and the dog walk home together under the yellow umbrella, until 20s.

Rules: one continuous video, exactly 20 seconds. Each moment flows smoothly into the next. Sounds match the action exactly (barks when the dog's mouth opens, splashes when it touches water). Emotional but gentle: no blood, no visible wounds. Soft emotional piano music, no dialogue, no text.
```

Prompt 25: Rescue Day to Healthy Dog

```
A vertical 9:16 video, exactly 20 seconds long, realistic cinematic footage of a thin, dirty stray adult German Shepherd with a dusty, matted black-and-tan coat and sad eyes. A dusty street and then a sunny green park, the same rescuer man. Natural light, handheld documentary-style camera, ultra-realistic fur, water and dust detail, 4K, real-time speed.

Timeline:
0s - The rescuer lifts the thin, dirty dog from a dusty street.
4s - At a vet clinic, the dog gets a gentle checkup.
8s - Same dog weeks later: healthy weight, shiny clean coat, running in a green park.
12s - The dog catches a ball and runs back to the rescuer.
