Nursing Time With Mom

One 25-second video | 5 clips combined | Real phone-video look | 9:16 Reel

VIDEO IDEA

Feeding time in the whelping box: mom settles down, the puppy crawls over, nurses, gets a gentle wash and ends in a full-belly nap.

TIMELINE

0-5s	Mom settles
5-10s	Crawls over
10-15s	Nursing
15-20s	Mom licks him
20-25s	Milk-drunk nap

MUSE AI PROMPT - COMBINE ALL 5 CLIPS INTO ONE 25-SECOND VIDEO (copy and paste)

Make ONE single 25-second video by combining these 5 clips in order, 5 seconds each, joined with simple hard cuts into one continuous video. Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. The dog is a real 3-week-old male liver-and-tan German Shepherd puppy, tiny and round, eyes just open, short fuzzy chocolate-brown and tan fur, a brown nose, tiny folded ears, a thin light blue ribbon around his neck. 0-5s (Mom settles): Whelping box in a quiet spare room, low wooden sides, clean cream fleece blankets, soft morning daylight from a window. The mother, an adult female black-and-tan German Shepherd with a red collar, steps carefully into the box and lies down on her side, stretching out calmly along the blanket while the tiny puppy squeaks at the far end. Sound: blanket rustling, puppy squeaks. 5-10s (Crawls over): Same whelping box, morning daylight. The tiny puppy crawls toward his mother's belly on wobbly legs, squeaking, his little nose searching along her fur. Two littermates with thin colored ribbon collars shuffle in slowly beside him, one black-and-tan and one liver-and-tan. Sound: eager squeaks, mom's slow breathing. 10-15s (Nursing): Whelping box in a quiet spare room, low wooden sides, clean cream fleece blankets, soft daylight. Close view of the puppy nursing from his mother, an adult female black-and-tan German Shepherd with a red collar, his tiny front paws pushing gently against her belly and his short tail sticking straight out behind him. Sound: soft suckling sounds, quiet room. 15-20s (Mom licks him): Same whelping box, morning light. The mother, a black-and-tan German Shepherd with a red collar, lifts her head and gently licks the puppy's back and head while he keeps nursing, his fuzzy chocolate-brown fur getting a little damp and ruffled. She lays her head back down calmly. Sound: gentle licking, mom's sigh. 20-25s (Milk-drunk nap): Whelping box in a quiet spare room, low wooden sides, clean cream fleece blankets, soft daylight. The puppy has rolled away from his mother onto his back on the fleece, round belly full, front paws curled in the air, mouth slightly open, fast asleep. The mother's red collar and black-and-tan fur show at the edge of the frame. Sound: tiny snores, owner whispers "so full".

AVOID / NEGATIVE PROMPT (paste into the negative box, or add "Avoid: ..." at the end)

cinematic, slow motion, lens flare, golden glow, dramatic lighting, studio lighting, color grading, film look, perfect shiny fur, glowing eyes, human-like facial expressions, smooth drone or gimbal movement, background music, text, subtitles, watermark, extra legs, extra tail, morphing, warped paws, plastic-looking skin or fur

CLIP-BY-CLIP PROMPTS (backup)

Use these only if Muse AI makes a video shorter than 25 seconds: make each clip separately, then join them in order. Every prompt already includes the same dog and camera wording.

Clip 1 | 0-5s | Mom settles

Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. A real 3-week-old male liver-and-tan German Shepherd puppy, tiny and round, eyes just open, short fuzzy chocolate-brown and tan fur, a brown nose, tiny folded ears, a thin light blue ribbon around his neck. Whelping box in a quiet spare room, low wooden sides, clean cream fleece blankets, soft morning daylight from a window. The mother, an adult female black-and-tan German Shepherd with a red collar, steps carefully into the box and lies down on her side, stretching out calmly along the blanket while the tiny puppy squeaks at the far end. Sound: blanket rustling, puppy squeaks.

Clip 2 | 5-10s | Crawls over

Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. A real 3-week-old male liver-and-tan German Shepherd puppy, tiny and round, eyes just open, short fuzzy chocolate-brown and tan fur, a brown nose, tiny folded ears, a thin light blue ribbon around his neck. HOW TO MAKE IT LOOK REAL

Use a real photo	Biggest realism boost: use Image-to-Video and upload the same real German Shepherd photo for every clip. Same photo = same dog in all 5 clips.
Muse AI: one video	Paste the full 25-second prompt into Muse AI. It tells Muse AI to combine all 5 clips into ONE 25-second video. If the result comes out shorter, make each clip with its own prompt and join them in order (CapCut) with simple hard cuts.
Pick the most natural	Generate 2-3 versions of each clip and keep the one where the dog moves most naturally. Delete any clip with weird legs, tail or face.
Keep the real sound	Keep the natural sounds (paws, tags, panting, owner's voice). If you add a trending Facebook sound, keep it quiet underneath.
No filters	Do not add filters, slow motion or fancy transitions - real home videos don't have them.
