The Messiest Water Drinker

One 25-second video | 5 clips combined | Real phone-video look | 9:16 Reel

VIDEO IDEA

The puppy drinks water like it is a sport: he splashes, dunks his paws, drips across the floor and then shares the wet chin with the owner.

TIMELINE

0-5s	Dive in
5-10s	Paw in the bowl
10-15s	Dripping chin
15-20s	The trail
20-25s	Sharing the wet

MUSE AI PROMPT - COMBINE ALL 5 CLIPS INTO ONE 25-SECOND VIDEO (copy and paste)

Make ONE single 25-second video by combining these 5 clips in order, 5 seconds each, joined with simple hard cuts into one continuous video. Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. The dog is a real 10-week-old male liver-and-tan German Shepherd puppy with a chocolate-brown saddle, warm tan legs and face, a brown nose, light amber eyes, fluffy soft puppy coat, oversized paws and floppy ears, wearing a small light blue collar. 0-5s (Dive in): Laundry room in the morning, daylight through a small high window, white tile floor, a washing machine in the background. The puppy trots up to a steel water bowl on a towel and plunges his whole muzzle in, lapping wildly so water flies out of the bowl. Drops speckle the tile around it. Sound: loud fast lapping, water splashing, washing machine humming. 5-10s (Paw in the bowl): Same laundry room, morning daylight, white tile. The puppy steps one oversized front paw right into the water bowl while drinking, tipping it slightly so water sloshes onto the towel. He keeps lapping, completely unbothered by his wet foot. His tail wags slowly. Sound: sloshing water, lapping, owner groans "really?". 10-15s (Dripping chin): Laundry room at floor level, morning light, white tile. The puppy lifts his head from the bowl and looks at the camera, water streaming from his chin and lips in little drips onto the floor, his muzzle fur soaked and spiky. Sound: water dripping on tile, soft puppy breathing. 15-20s (The trail): Hallway outside the laundry room, morning daylight, light wooden floor. The puppy trots away, leaving a line of small wet paw prints and drips behind him on the boards. The owner's feet in slippers step around the puddles. The puppy never looks back. Sound: paws pattering, drips, owner laughing "look at this trail". 20-25s (Sharing the wet): Living room in the morning, daylight from big windows, a grey couch. The owner sits on the floor in jeans, and the puppy climbs onto their lap and rests his wet chin on their knee, leaving a dark damp spot. The owner's hand dries his muzzle with a small towel. Sound: towel rubbing, puppy snuffling, owner says "thanks, buddy".

AVOID / NEGATIVE PROMPT (paste into the negative box, or add "Avoid: ..." at the end)

cinematic, slow motion, lens flare, golden glow, dramatic lighting, studio lighting, color grading, film look, perfect shiny fur, glowing eyes, human-like facial expressions, smooth drone or gimbal movement, background music, text, subtitles, watermark, extra legs, extra tail, morphing, warped paws, plastic-looking skin or fur

CLIP-BY-CLIP PROMPTS (backup)

Use these only if Muse AI makes a video shorter than 25 seconds: make each clip separately, then join them in order. Every prompt already includes the same dog and camera wording.

Clip 1 | 0-5s | Dive in

Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. A real 10-week-old male liver-and-tan German Shepherd puppy with a chocolate-brown saddle, warm tan legs and face, a brown nose, light amber eyes, fluffy soft puppy coat, oversized paws and floppy ears, wearing a small light blue collar. Laundry room in the morning, daylight through a small high window, white tile floor, a washing machine in the background. The puppy trots up to a steel water bowl on a towel and plunges his whole muzzle in, lapping wildly so water flies out of the bowl. Drops speckle the tile around it. Sound: loud fast lapping, water splashing, washing machine humming.

Clip 2 | 5-10s | Paw in the bowl

Shot on an iPhone held by the owner, vertical 9:16, 1x lens, handheld with small natural shakes, auto-exposure and autofocus, real-time speed with no slow motion, available natural light only, no color grading, ordinary lived-in home, normal phone video quality - looks like an unedited home video posted on Facebook. HOW TO MAKE IT LOOK REAL

Use a real photo	Biggest realism boost: use Image-to-Video and upload the same real German Shepherd photo for every clip. Same photo = same dog in all 5 clips.
Muse AI: one video	Paste the full 25-second prompt into Muse AI. It tells Muse AI to combine all 5 clips into ONE 25-second video. If the result comes out shorter, make each clip with its own prompt and join them in order (CapCut) with simple hard cuts.
Pick the most natural	Generate 2-3 versions of each clip and keep the one where the dog moves most naturally. Delete any clip with weird legs, tail or face.
Keep the real sound	Keep the natural sounds (paws, tags, panting, owner's voice). If you add a trending Facebook sound, keep it quiet underneath.
No filters	Do not add filters, slow motion or fancy transitions - real home videos don't have them.
